

DEDICATION

This book is dedicated first to my Lord and Savior, Jesus Christ, without Whom, my testimony would not be possible. It is in honor of Yahweh, my Heavenly Father, that I pen these words in hopes that it will bring others closer to His Mercy; that they might be comforted and encouraged.

To my children, Caleb and Gabriel. Their incredible courage to overcome their own life's obstacles has caused me to reach higher in my own faith. It is true, that out of the mouths of babes, comes wisdom. They are the greatest gifts God has allowed in my life.

It is also dedicated to my parents, who chose to give me life. While I may not have understood at times, my childhood experiences, and the relationship that I had with my parents helped to forge me into the person that I am today.

And it is for the untold thousands who suffer in silence, afraid to testify to Gods Mercy and His abounding Love. My hope is that the emotional battles and trials I've had to endure will become a launching pad toward your own personal triumphs. God who is faithful to those who love Him.
